SOCIETY NEWS.

Mr. and Mrs. George Dodson entertained at their home on East Third street Thursday evening with 500. About twenty young persons were present. Mr. Rosa Owens won the first prize and Mr. Dudley Quintance the second prize. After tiring of cards the guests were served delicious refreshments in the form of ices and cakes in appropriate designs suitable to the occasion.

KINDERGARTEN.

Miss Annabelle Lewis has just completed the course in kindergarten methods at the Bay View (Mich.) Summer University, and will open a private kindergarten on September 13. Mayville is justly proud of her educational facilities and with this high need of the children too young to enter first grade work, supplied, congratulates herself.

David N. House and Miss Lelana Walker were married Wednesday in Indiana. Mr. House married Miss Eva Schatzmann, daughter of Mrs. George Schatzmann, this city, who died several years ago. He is well and favorably known here, having been an insurance agent for years and later a photographer.

Mr. Roland Steele, of this city, and Miss Lizzie Helvey, of Newport, will be married today at the home of the bride. Mr. Steele is one of the most popular young men of this city, is an A-1 tobacco man and his many friends join The Ledger in extending congratulations.

Mrs. Mary E. Cracraft, of Route No. 2, widow of William H. Cracraft has, through her attorney, Nanette McKelup Peablies, of this city, been granted a widow's original pension at the rate of \$12 per month, also the accrued money due.

Mr. and Mrs. John Fansler, of Forest avenue, had as their guest Wednesday, Mr. and Mrs. Dan Smith and little daughter, Roberta, and Mrs. G. O. Larige, and little daughter, Virginia, of Norwood, O.

Miss Nettie Preston, of Pleasant Hill, Mo., Mrs. G. H. Preston, of St. Louis, Mo., and Mrs. Lena Taylor, of Pine Bluff, Ark., are the guests of Mr. and Mrs. Edward Bullock of West Third street.

AN OPPORTUNITY

TO MAKE A GREAT EFFORT AND BE A WINNER IN THE GREAT CONTEST WHICH IS NOW DRAWING NEAR THE CLOSE.

Refusing to be daunted by anything in the heavens or on earth, candidates in the Daily Bulletin-Public Ledger \$2,400.00 prize campaign continue to search for subscriptions with undiminished ardor. It is this strict attention to business that is going to furnish some big surprises before the end of the campaign hoves into sight. It is not as long as it appears from now until the end, and each and every contestant should realize the fact and not lose a moment that she might be helping to increase her reserve fund.

The next two days all subscriptions have a value that will never again be attained during the campaign, and you should devote your time to securing as many subscriptions as possible. The number that every subscription that you are able to secure during the remaining days of the third period may be the means of bringing you in a winner at the close of the race. Make a list of the people you already know who are not subscribers to the Daily Bulletin or Public Ledger and go and see them.

You no doubt now realize the value of all subscriptions secured during the next two days. The votes secured during the third period mean much to you, for you are well aware of the fact that the candidates securing the largest vote totals will be awarded the prizes. Between now and Saturday night larger votes are allowed on all subscriptions than will be in the future. Therefore the opportunity for securing a good vote is best now.

Less than two weeks from now the campaign will come to an end and the magnificent prizes will become the property of twenty of the most popular young ladies who have appreciated the opportunities held out to them and have earnestly striven with the result that victory has responded to their call and they have been declared the winners of the awards.

The prospect of winning a handsome touring car, completely equipped and ready for use by the young lady winning it is sufficient to entice even the most lukewarm one of the candidates. These cars complete in every way the prizes that will remain with you, as full of pleasure and enjoyment as the day when presented to you, long after the memory of the campaign has been obliterated from your mind, but the continued delight experienced in possessing such a prize will some time cause you to reflect upon the manner in which it was won and cause you to bless the day when you decided to enter the campaign. Make winning resolutions today and keep it in your mind. There is no better way of insuring victory.

MAKES RECORD

MAYSVILLE OHIO STATE TEAM HAS A RECORD THAT EVERY FAN IN THIS CITY SHOULD BE PROUD OF.

In looking over the statistics in the second half of the race for the O. S. L. pennant it will be found that the Colonels have a record that every fan in this city and county should be proud of.

The Colonels have won a total of twenty-eight games and lost fifteen and of these wins and losses the various teams of the league have the following standing with the Colonels: Charleston, the nearest contender for the flag, has the following record: Out of twelve games with the locals they have succeeded in winning only five, while Frankfort, which is third in the present race, has the best record of the league in that of the ten games played they have won six with the Colonels with one game yet to play.

Portsmouth is next in order in the standing, with two wins and five defeats, while Lexington has won but a single game with five against her. The fronton Nallers have the poorest record of any team in the race, having won only one game out of the eight played with the Colonels.

As a run-getting team the Colonels cannot be beat, as in the forty-two games played they have crossed the spot that counts 190 times and their opponents have tallied only 147 times. This would average the score of each game at five runs for the Colonels to three runs for their opponents.

The pitching staff of the Colonels is one to be proud of, as all our twirlers have records that are over the .500 mark. French has a record in nine games won and not a game lost, while McGraynor has the league record of fourteen straight wins and only one defeat. Both Brown and Winchell are well ahead of their defeats. In battling the Colonels have a team record that is close to .200, which is not exceeded by any team in the league and is all earned, as most of the games of the locals have been played on the local lot where long hits stay inside of the field and do not sail over the fence as in other parks of the circuit.

Taken as a whole the record of the Colonels can not be equalled by any Class D team in the country and by but few major league teams.

NEW LIVERY STABLE.

Mr. S. W. Newell, formerly a resident of the county and son of Mr. W. H. Newell, has opened a modern livery, feed and hitch stable at 110-112 West Third street, where he is equipped with every facility for the proper care and comfort of teams.

Mr. Newell is a thorough horseman and understands them and their ways. A horse left in his charge will receive the very best of attention, the kind that will make the poor dumb brute turn in at Newell's stable the next time it passes the door.

In connection with the livery business Mr. Newell will establish a first-class garage with all modern equipment for the care and repairing of autos and will have automobiles for hire.

The Ledger joins with his many friends in welcoming his return to Mayville and in wishing him success and prosperity.

PURCHASE CAR.

The M. C. Russell Company has purchased a 1915 model Ford touring car which will be used in their sales department. This firm is leading the more progressive firms in sending their agents into the field in an automobile, as this assures the customer quicker service and deliveries.

FEED AND HUTCH AT NEWELL'S.

S. W. Newell has a modern, up-to-date feed and hitch stable at 110-112 West Third street and is prepared to give the best service in the livery line. You owe it to your faithful animal to give it the best. Go to Newell's once and your horse will take you there the next time. fri-sat

GIRL ASSAULTED.

Thursday night about 9 o'clock residents of Limestone and Third streets were startled by screams and upon investigating they found a little colored girl badly beaten. When questioned the girl said that a negro man named "Bilkey" Owens or Edwards had assaulted her.

Edwards, or Owens, made good his escape.

This is not the first time he has beaten up women and girls as he has been arrested several times. He is subject to fits and has for the last year been in the insane asylum at Lexington, from which institution he possibly escaped.

Officials are on the lookout and if caught it will go hard with him.

LOOK WHO'S HERE.

Friday morning the nerves of the citizens of Mayville were shocked by the appearance of the street sweeper. The sweeper made its appearance after several weeks of lay off. Let her tangle—the streets need cleaning.

Ina Claire and Theodora Roberts in "THE WILD GOOSE CHASE" at the Washington Theater Friday Evening

Admission Only 5c and 10c. Read the Following Synopsis of This Famous Comedy By William C. De Mille

Ina Claire, who is undoubtedly the foremost American star of her age, makes her photographic debut in this picturization of one of the most charming romantic comedies ever written by William C. De Mille. Miss Claire has recently entered into a contract with the Lasky Company by the terms of which she will appear each year in a certain number of photodramatic offerings, at the same time continuing her legitimate stellar career as a Broadway celebrity.

"The Wild Goose Chase" is the love story of a college boy and a charming girl. At about the time they first meet and fall instantly in love with one another each is ordered by stern parents to marry an unknown mate. The reason for this is that the grandfathers of these two young people are two rich old gentlemen of France, and these two old men, according to European custom, offer to provide large sums of money if the young people marry one another.

To escape these enforced marriages, man and girl both leave home and join the same wandering theatrical troupe, which meets with many trials and tribulations. It is not until the very end that the young people, finally learning each other's real names, find that they have been on a wild goose chase all the time, because the very thing they desire themselves is what the grandfathers have ordered.

NEXT WEEK WILL TELL WINNERS OF PENNANTS.

New York, September 2.—The pennant races in both the National and American Leagues entered the last stage today. By the middle of next week the contests in both leagues will have been decided, and baseball enthusiasts may be able to make their plans to see the world's series.

The three remaining contenders for the flag in the National League retained their respective standings today, although Philadelphia's lead was reduced by losing the first game of a series with New York. Boston, which

lost to Cincinnati, failed to take advantage of an opportunity to displace Brooklyn from second place. Only eight points now separate the two teams. Moran's men, with a lead of two and one-half games over Brooklyn, will have an opportunity to strengthen their position in the series with the Giants, while Brooklyn is playing a three-game series at Boston.

The fight in the American League became more of a contest between Boston today when the Tigers' victory over Chicago more firmly established the White Sox in third place. The Red Sox continued their consistent winning by defeating Philadelphia and now seem to have a firm grasp on the flag.

FOREIGNERS LEAVE.

Washington, September 2.—Fifty Americans and other foreigners at Hermosillo, Sonora, who recently requested transportation from Guaymas to the United States have decided to leave by rail by way of Magdalena, the State Department has announced. The statement added that advances from Durango dated August 30, said that since the recent occupation of that city by Villa forces American interests generally had been respected.

MILLION MEN ARE TAKEN BY GERMANS.

Berlin, September 2.—An official review of the eastern campaign as given out here by the Overseas News Agency, estimates that, since May 2, the Russians have lost at least 300,000 men in killed and wounded, and 1,100,000 men captured by the Germans. The actual figures are surely very much higher because the Russians saved artillery by recklessly sacrificing their infantry. It is thus evident that the armies that were first attacked at the beginning of the Austro-German offensive movement have been made up by withdrawing troops from other regions, especially forces which were ready to invade Turkey.

WOMEN FROM 45 to 55 TESTIFY

To the Merit of Lydia E. Pinkham's Vegetable Compound during Change of Life.

Westbrook, Me. — "I was passing through the Change of Life and had pains in my back and side and was so weak I could hardly do my housework. I have taken Lydia E. Pinkham's Vegetable Compound and it has done me a lot of good. I will recommend your medicine to my friends and give you permission to publish my testimonial." — Mrs. LAWRENCE MARTIN, 12 King St., Westbrook, Maine.

Manston, Wis. — "At the Change of Life I suffered with pains in my back and loins until I could not stand. I also had night-sweats so that the sheets would be wet. I tried other medicine but got no relief. After taking one bottle of Lydia E. Pinkham's Vegetable Compound I began to improve and I continued its use for six months. The pains left me, the night-sweats and hot flashes grew less, and in one year I was a different woman. I know I have to thank you for my continued good health ever since." — Mrs. M. J. BROWNELL, Manston, Wis.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled in such cases.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.

TEUTONIC ARMY REACHES POINT FARTHEST EAST.

London, September 2.—The fortress of Lutsk, which with those of Dubno and Rovno forms a fortified triangle on Russian territory just north of the Galician frontier, was captured by the Austrians, according to the official report from Vienna. It is in this direction that the Austro-German offensive has been the most aggressive during the past few weeks, the object being to separate the Russian army which has been retreating through the Pripiet marshes from that operating in Galicia and which, so the Russians claim, a rather severe defeat on the invaders. The capture of Lutsk, however, is likely to compel the Russians, despite their victory, to evacuate that part of Galicia still held by them; otherwise their flank would be seriously threatened.

Most Easterly Point.

The Russian fortress of Lutsk is located in the province of Volhynia, about sixty miles east of the river Bug on a branch of the main line railway running from southern Russia northward to Brest-Litovsk.

It is one of the triangle of fortresses which lie about fifty miles from each other in this region. The other two being Dubno and Rovno. It has a population of more than 20,000.

So far as official reports have indicated, it is the most easterly point on Russian territory reached by the Teutonic troops. Its capture marks the fall of the tenth fortress within a month under Austro-German attacks beginning with the taking of Warsaw on August 5.

Along the rest of the front, except in the center, where the Austro-Germans continue to make a slow advance, the Russians appear to be holding their own. They have thus far prevented the Germans from crossing the Dvina at Friedrichstadt, where a battle has been in progress for several days; they have arrested the German offensive between that point and the Gulf of Riga and are still heading their ground between Kovno and Vilna and before Grodno, although the Germans have approached the outer position of Grodno fortress.

Ince Against Time.

In the opinion of military writers here the Russians now stand a good chance of winning the race for time. Within a few weeks the autumn rains will begin, and it is pointed out, unless they can succeed in gaining a decisive result before that time the Austro-Germans can hardly hope to smash the Russian armies before, under cover of the long winter, they are re-formed and re-equipped. At present the Austro-Germans are straining every nerve to win this decision but they have been greatly delayed by the intensity of the Russian counter-attacks and the stubbornness with which the Russian troops hold the positions protecting their retreating comrades.

Losses Enormous.

The Russian losses of course have been enormous. According to Berlin the Russians have lost one million in prisoners since May 2, the date on which the drive began in western Galicia, while during August alone the captures included more than a quarter of a million men and 2,300 cannon. The Austro-German losses, too, have been heavy in killed and wounded, while the strain on the troops has been terrific. They still have, according to Petrograd estimates, about 2,000,000 men on the eastern front, 200,000 being in the Itzka region more than 1,000,000 in the center and from 600,000 to 700,000 in Galicia.

For a week the French have been pouring an avalanche of shells into the German lines in the west. It is not believed this ammunition would be used simply for the purpose of

damaging the German trenches, and therefore an early move on the part of the allies in the west is anticipated.

ROOSEVELT DENIES NOTE MEANS GERMANY CONFESSED ANY WRONG.

Oyster Bay, September 2.—The following statement was given out by former President Roosevelt in regard to Ambassador Von Harnstoff's note concerning the Arabic:

"On its face it appears to be most gratifying and if the acts of the Germans bear it out and if suitable amends are made for the lives lost on the Lusitania and Arabic and for the Guilford and Falmouth and similar cases and if there is no provision expressed or implied as to action on our part, such as was requested by Germany before as regards England and France, the results will in every way be satisfactory."

"I wish to call attention, however, to one thing. This is in no sense a confession from Germany as it has been styled in some papers."

"It is an announcement that she intends to stop the policy of assassination. To stop the policy establishes no claim for gratitude, and I take it, granted, of course, there will be the most ample amends, so far as such amends as possible, made not only for the property, but for the lives of 120 American men, women and children who have been assassinated during the four months and over that the policy has been carried out."

GERMAN MINISTER ILL.

London, September 2.—A dispatch to the Exchange Telegraph from Amsterdam, says reports received there from Berlin are to the effect that Admiral Von Tirpitz, the German minister of marine, is ill from overwork and exhaustion and on the advice of his physician, intends to leave Berlin for a holiday which will extend over several weeks.

SECOND DEFEAT

REGISTERED AGAINST THE COL-
ONELS AT FRANKFORT THURSDAY,
THE SCORE BEING FOUR
TO THREE—BROWN HURLS FOR
LOCALS.

Frankfort, Ky., September 2.—The
heavy hitting of the locals and the
failure to hit in the pinches caused
the defeat today of the Maysville team.
Two home runs, one by Jones and the
other by Ellis, gave the locals a lead
which could not be overcome. Brown,
pitching for Maysville, pitched a good
game but his support failed at critical
times. Emmer starred at the bat for
Maysville. The score:

THIMBLE PARTY.

(Cincinnati Commercial.)
Mrs. O. H. P. Thomas, of 702 South Cincinnati avenue, entertained at a thimble party Friday afternoon in honor of her guest, Mrs. McAtee Case, of Maysville, Ky.

The color scheme of yellow and white was carried out in the flower decorations of yellow and white dahlias.

The guests engaged in a flower contest in which Mrs. Frank Walling proved successful. Mrs. W. S. Tucker entertained with several songs. An ice course of dainty appointments in yellow and white was served, the cream being frozen in the form of yellow dahlias. Those who were invited to meet Mrs. Case were Mesdames H. H. Rogers, Frank Walling, W. S. Tucker, A. C. Porter, W. H. Cole, Edwin Wilson, Helen Curtis, J. B. Means, W. R. Williams, Bradford Jennings, W. J. Collier, J. W. Darby, G. A. Walls, Arthur Perryman, Conn Linn, Florence Tucker, G. H. Constance, J. H. Winemiller, Florence Johnson, John Pinek, Robert E. Rhodes, Richard Burkhardt, W. T. Brown, David Clements, R. A. Douglas, W. A. Moore, C. B. Shaft and Guy Cleaver.

Senator Chilton (Democrat) of West Virginia, adds his name to the lengthened roll of friends of the administration who issue statements predicting Democratic success next year because of the country's marvelous "prosperity." The Senator's home is in Charleston, which is the city from which a few weeks ago came a press dispatch telling of a committee of workmen and their wives who had waited on the Governor of the state to tell him that there was no work, no money, no food in their families.

The Democratic office-seeker may wind up from now until doomsday but there is one incontrovertible fact that he can't explain to any sensible man: Hard times—panicky times—high interest rates—low wages—depreciation in value—starvation, if you please—always attend a Democratic administration. —Talequah (Okla.)
